

For your information. This is the first I have heard of this proposed new organization being set up (with a definitely aggressive bent). It will be interesting to see how Veterans Affairs and the Legion respond.

Military/RCMP Veterans

Against Annuity Benefit Reduction at age 65

"For immediate release/distribution!"

To: Our Supporters

Info: Dale Dirks

July 21, 2011

Subject: A new National organization

Dear Friends,

I nominate Sean Bruyea as the first Chairman of the new National Veterans Association. Billy Willbond seconded the motion. Dave Palmer and Mark Blaney have also been nominated.

Billy and I are requesting that you vote for our candidate Sean Bruyea. Please send a e-mail to Dale Dicks: bddirks@gmail.com, info: Me and Billy Willbond advising Dale Dirks that you will support our nomination.

Thanks,

John Labelle
Billy Wilbond

Factors for consideration:

- We need an organization that will approve a Mission statement that would include to: stand up for the Benefits of Veterans and their Families. To hold annual National protest rallies not during the month of November;
- We need a Leader with knowledge of Veterans issues and capable of leading;
- We need a Leader that has a good writing ability and a good speaker in front of cameras;
- We need one unpaid volunteer from each Provinces to form the executives;
- We need to prepare a list of issues to be part of our goals;
- We need to charge \$20.00 per year membership fees;
- We need to be transparent with the funds we collect;
- The funds need will be needed to pay for Public advertisement in newspapers to seek Public support;
- We need to pick a name; Suggest: **“The National Veterans Association”**
- We need to pick an emblem: A soft red Maple leaf with black veins;
- We need a flowers: A two tone purple “Mallow”;
- We need to set up a web site;
- This business sole purpose is to resolve Veterans benefit issues; and
- It would have a kit shop to create funds to assist a specific Veteran goal.

That’s just the start for a first meeting and I believe that you are getting the jets of it.

"One Veteran! One standard of benefit for all!"

Sean will be away until mid August, please don't flood his e-mail box.

Sincerely,

John Labelle
